Organizers: RajaRajeswari College of nursing (Department of Pediatric Nursing) in collaboration of RajaRajeswari medical college and hospital (Pediatric Department).

Venue: skill lab RRMCH

**Chairperson of the workshop: DR. UMADEVI A.K
Principal**

**Programme Co-ordinator: Mrs. Debalina Dey
Associate Professor.**

Participants: B.Sc Nursing 3rd Year and GNM 2nd Year.

The aim for conducting NRP (Neonatal Resuscitation Programme) is to raise awareness about the importance of the newborn care for child survival and development. The neonatal period is the crucial period for child survival; as this period carries the highest risk of deaths per day than any other period during the childhood. The Department of Pediatrics, Neonatology and RajaRajeswari College of Nursing, Bangalore, in collaboration organized five days skill lab training for basic b.sc nursing and GNM nursing students at the skill lab of RRMCH on 09/10/2023 to 13/10/2023.

Neonatal Resuscitation Program (NRP) was organized as 5 days workshop for UG nursing students (B.Sc Nursing 3rd Year and GNM 2nd Year), Nursing Officers on 09/10/2023 & 13/10/2023 between 9.00 am - 1.30 pm in skill lab RRMCH. Dr. Adarsh B.K HOD Department of Pediatrics, Dr. Sahana Professor, Dr. Malvika Associate Professor, Dr. Arpitha Assistant Professor and PG of Pediatric Departments had given the training for the students in the batch wise. Each day 30 students got training individually with the demonstration and practices session. At the end of the day the students received certificates. The chairperson of the workshop was Dr. Uma Devi A.K principal RajaRajeswari College of Nursing. The programme was coordinated by Mrs. Debalina Dey Associate Professor from department of pediatrics nursing.
